

**Anti-Static Brush**

Simply holding the ProClean Duo™ tool creates a negative charge in the brush that safely removes static and attracts dust like a magnet.

## This kit means business.

**Model ELM101**

**Serious cleaning. Perfect add-on sale.** The Sanus Elements Model ELM101 Screen Care Kit makes cleaning and protecting high-tech gear a breeze. Safe for TVs, monitors, laptops, portable DVD players and more, the kit includes screen cleaning gel, our exclusive ProClean Duo™ tool, and a replacement microfiber cloth. Best of all, whether you sell it or use it as a giveaway bonus, it leaves your customers with something to remember you by. So you'll clean up, too. 800.359.5520 [www.sanus.com](http://www.sanus.com)

**Durable Plastic Case**

Conveniently holds cleaning supplies inside and prominently displays your business card in the slot on top.

**Microfiber Wiper**

The touch-free microfiber side safely removes smudges, fingerprints and oils.

**Screen Cleaning Gel**

Micro-Mist™ bottle provides a targeted, non-streaking spray of a special alcohol- and ammonia-free gel.
