

ProSet™ Technology
Ensures perfect alignment,
even after installation –
without re-drilling

Virtual Axis™ Tilting
Patented technology offers
fingertip tilting without tools

ClickStand™ Feature
Holds TV away from wall for easy
cable maintenance, then clicks
securely back onto wall

It practically installs itself. No offense.

The LT25

Introducing the new Sanus VisionMount® LT25 Tilting Mount.

Sanus Systems has revolutionized the flat-panel TV industry once again with the innovative LT25. Our exclusive, patented ProSet™ technology makes installation so easy, it sets a new industry standard. Add to that an array of other incredible features, and the only question is who'll love it more – you or your customers.

800.359.5520 www.sanus.com

ClickFit™ System
Power conditioners and other
accessories click onto mount
so they're accessible yet
hidden behind TV
