

NEW SANUS FOUNDATIONS® Basic Series Furniture

MODEL BFV546

Assemble this new Basic Series model without tools for a quick and easy setup

Tool-less assembly makes setting up the new SANUS Foundations BFV546 AV stand, designed to hold TVs up to 50", easier than ever. Comprised of both light and dark walnut finishes, this piece is constructed of beautiful hardwood to add a classic feel to any room. Two large drawers keep remotes and AV equipment organized and concealed for a clean look. The stand's large middle shelf easily fits a center channel speaker or two components, and the removable back panel allows easy access to the back of any gear placed on the shelf. Adjustable feet keep the BFV546 stable on any surface.
