

AV Accessory

SOUNDBAR MOUNT

The SANUS SA405 soundbar mount attaches directly to the bottom of a TV for a convenient and stylish setup. Compatible with most soundbars, TVs, and wall mounts, this soundbar mount supports soundbars up to 15 lbs. with no additional measuring or drilling needed. Perfect for use with full-motion mounts – the sound moves with the TV.

Sound moves with the TV

Attaches to the bottom of your TV mount
