## Modern meets practical with Vertical AV Foundations™

Sanus Vertical AV Foundations™ combine the storage capacity of a cabinet with the discreet look of a low-profile wall mount, creating a versatile, stylish piece that can literally fade into the woodwork. These wall-mounted AV stands feature **adjustable tempered-glass shelves** and generous **wire management channels**, so they're perfect for mounting directly under a TV. And some models offer **interchangeable glass and wood back panels** in case you change your décor. It's the most practical piece of art you'll ever own.

**Built to perform for home theater junkies with no compromising on aesthetics**

It's easy to find a nice looking cabinet... that won't fit your gear or keep it cool. And it's easy to find a high-test rack... that won't pass the spouse test for appearance. That's why we set out to redesign our Component AV Foundations line. We're introducing a solution. **High-test, vented, large-cavity, cable-organizing, resonance-absorbing** cabinets with the beauty of **natural hardwood veneers** and contemporary design elements such as **extruded aluminum pillars**. It's more than a mouthful. It's a masterpiece.

### Fine furniture that satisfies both AV and interior design enthusiasts

Passion meets creativity in Sanus Woodbrook AV Foundations. Connoisseurs of fine furniture will be pleasantly surprised by the quality of the construction, with beautiful materials such as **solid hardwoods** and **natural glass**. Woodbrook also features creative flexibility, since each piece includes **door options**: glass to prominently display AV components or solid hardwood to cleverly conceal them. The result is an AV setting with clean lines and a timeless look that's sure to inspire.

Contemporary design and rigid construction come together to create strength and beauty

The Natural AV Foundations line from Sanus Systems is elegant. It's **contemporary**. And it's **functional**. When designing Natural Furniture, Sanus set out to create an element of lasting beauty. But the real beauty is in the engineering. **Solid Grade A hardwood**, **extra-thick tempered glass** and **rigid steel pillars** provide incredible strength. And with a full complement of accessory pieces, it's easy to decorate an entire room.

### Top-quality frames to make any TV a work of art

Sanus Systems' flat-panel decorative frames integrate design with technology to blend seamlessly into any room décor. These museum-quality hardwood frames fit most flat-panel TVs and will instantly transform any television into a work of art. Each frame includes an easy-to-install infrared kit to adapt to the current remote control. And an optional Aristos Optic Mirror Kit allows the TV to perform as a mirror when the display is off. Available in classic black, toasted pecan, antique gold or contemporary silver.
