MODEL BFAV48

Introducing the new Basic Series AV stand

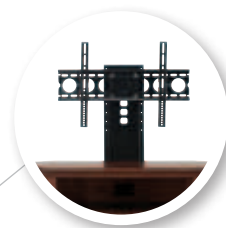

New to the SANUS Foundations Basic Series, the BFAV48 AV stand holds TVs up to 52" and adds a contemporary style to any space with its hardwood veneers complemented by a chestnut or chocolate finish. No tools are required to assemble the BFAV48, making assembly effortless and time-saving. The BFAV48 offers versatility with the ability to be positioned in a corner or flat against a wall, and it can be combined with the FMK056 mount kit to bring the sleek look of a mounted TV to anywhere in a room. The BFAV48 can accommodate large AV systems with its deep shelf capacity, and vented shelves minimize heat on AV equipment by allowing warm air to escape.
