IMPORTANT SAFETY INSTRUCTIONS – SAVE THESE INSTRUCTIONS – PLEASE READ ENTIRE MANUAL PRIOR TO USE

Before getting started, let's make sure this mount is perfect for you!

1

Does your TV weigh *more than 60 lbs. (27.2 kg) including accessories?*

No — Perfect!

Yes — This mount is NOT compatible. Visit sanus.com or call 1-800-359-5520 (UK: 0800-056-2853) to find a compatible mount.

2

Do you have the tools needed?

3

Ready to begin?

Please read through these instructions completely to be sure you're comfortable with this easy install process. Also check your TV owner's manual to see if there are any special requirements for mounting your TV.

If you do not understand these instructions or have doubts about the safety of the installation, assembly or use of this product, contact Customer Service at 1-800-359-5520.

⚠ CAUTION: Avoid potential personal injuries and property damage! Manufacturer is not responsible for damage or injury caused by incorrect assembly or use.

⚠ WARNING: Exceeding the weight capacity can result in serious personal injury or damage to equipment! It is the installer's responsibility to make sure the combined weight of the WSTV1 and the display does not exceed 60 lbs (27.2 kg). Use with heavier televisions may result in instability causing tip over resulting in death or serious injury!

⚠ WARNING: Use this mounting system only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.

⚠ WARNING: Death or serious injury may occur when children climb on audio and/or video equipment furniture. A remote control or toys placed on the furnishing may encourage a child to climb on the furnishing and as a result the furnishing may tip over onto the child.

⚠ WARNING: Relocating audio and/or video equipment to furniture not specifically designed to support audio and/or video equipment may result in death or serious injury due to the furnishing collapsing or overturning onto a child.

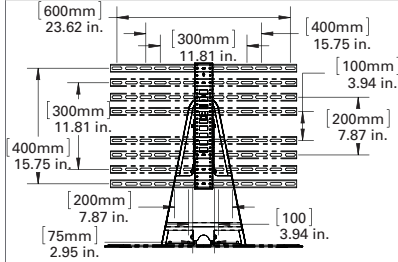

📄 NOTE: The WSTV1 can support screen sizes up to a maximum of 60" diagonal.

📄 NOTE: The WSTV1 has no user serviceable parts.

STEP 1 Attach TV Brackets to TV

1.1 Select TV Screw Diameter

Hand thread screws into the threaded inserts on the back of your TV to determine which screw diameter (M4, M6, or M8) to use.

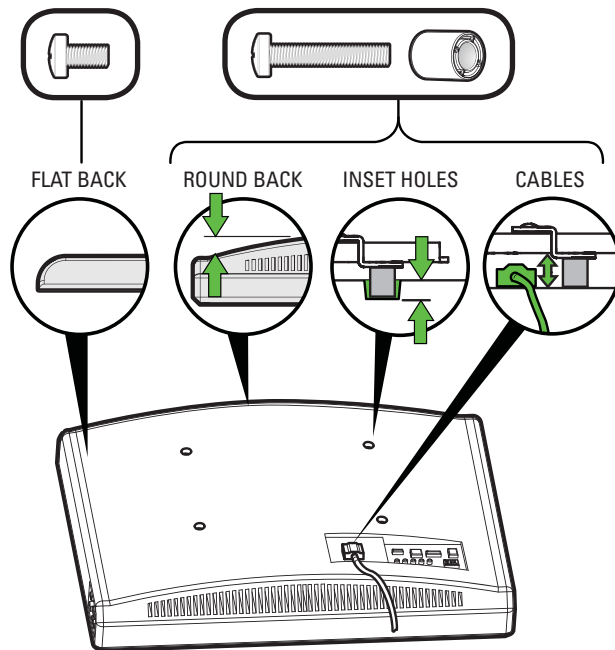

1.2 Select TV Screw Length

If your TV has a flat back AND you want your TV closer to the swivel head of the mount, use the shorter screws.

Spacers and longer screws are supplied to accommodate:

- Round/irregular back TVs
- TVs with inset mounting holes
- Extra space needed for cables

Standard configurations are shown. For special applications, or if you are uncertain about your hardware selection, contact Customer Service at 1-800-359-5520.

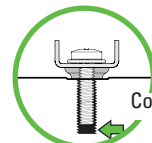

CAUTION:

Verify adequate thread engagement with your screw/washer/spacer combination AND TV bracket.

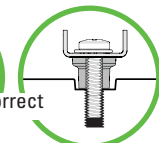

- Too short will not hold the TV.
- Too long will damage the TV.

Too Short

Correct

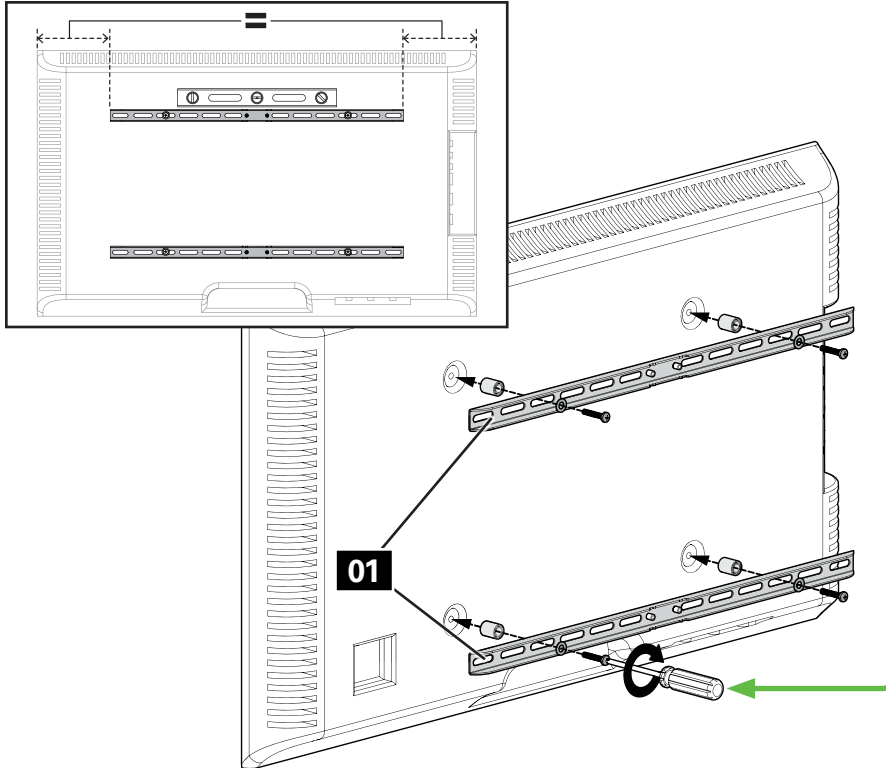

Too Long

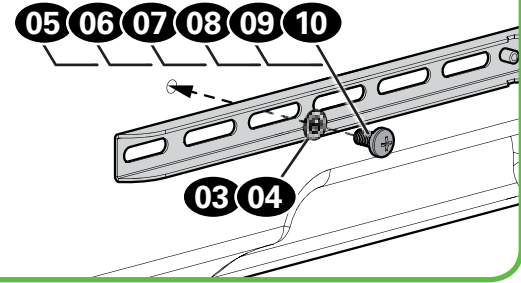

1.3 Attach Horizontal Brackets

Position your TV brackets over your TV hole pattern - making sure the brackets are centered over the TV hole pattern and level. Secure brackets using your screw/washer (**Flat Back**) or spacer/screw/washer (**Round Back / Extra Space**) selection (see 1.2 page 7).

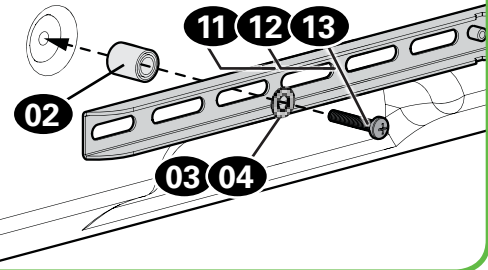

! IMPORTANT: Ensure TV brackets are securely fastened before moving on to the next step.

Flat Back

Round Back / Extra Space

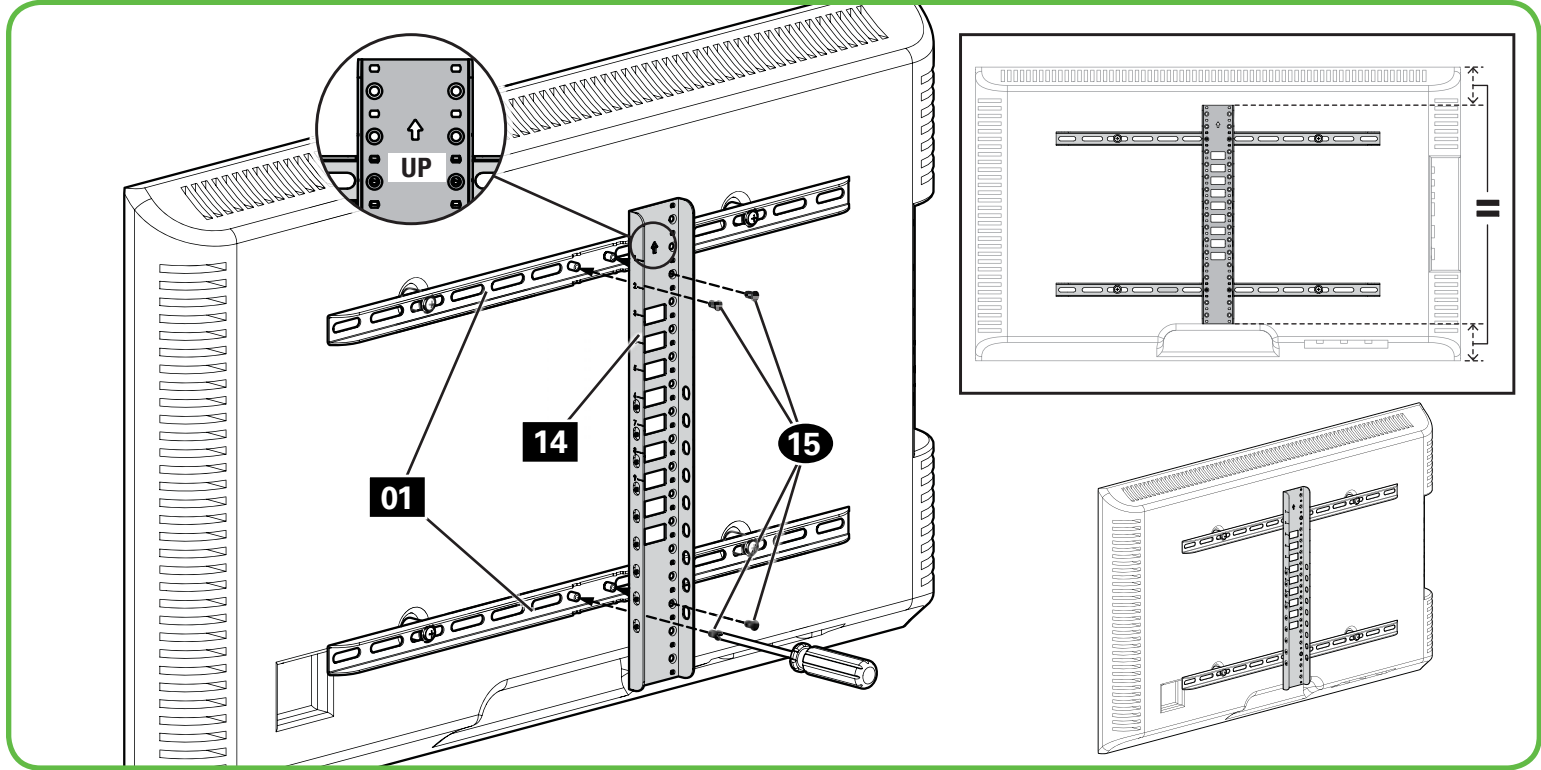

STEP 2 Attach Vertical Bracket

Make sure the vertical height adjustment bracket **14** is centered on the TV.

Secure vertical height adjustment bracket **14** with interface screws **15**.

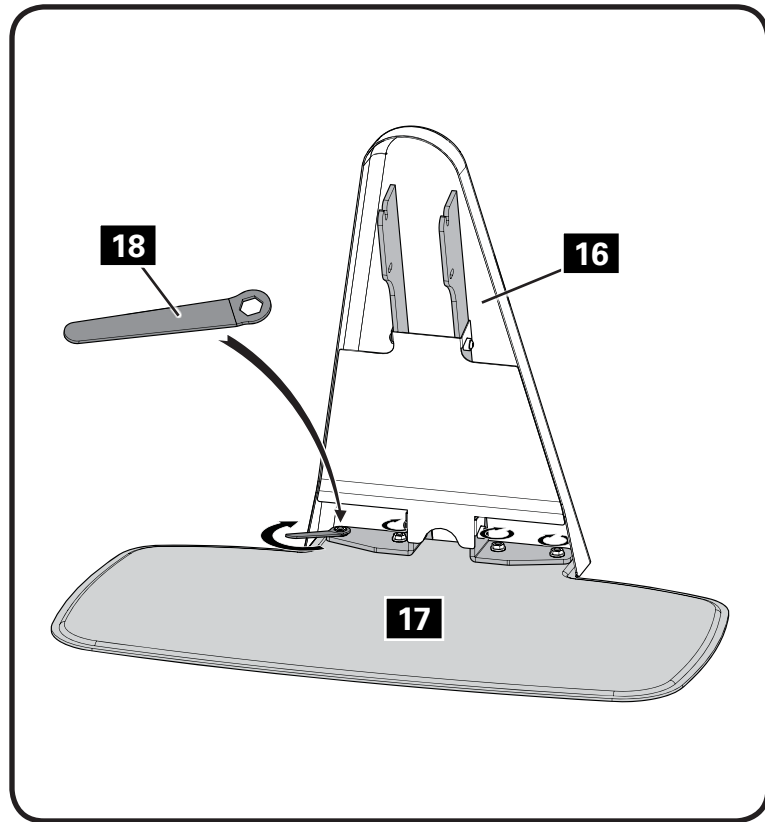

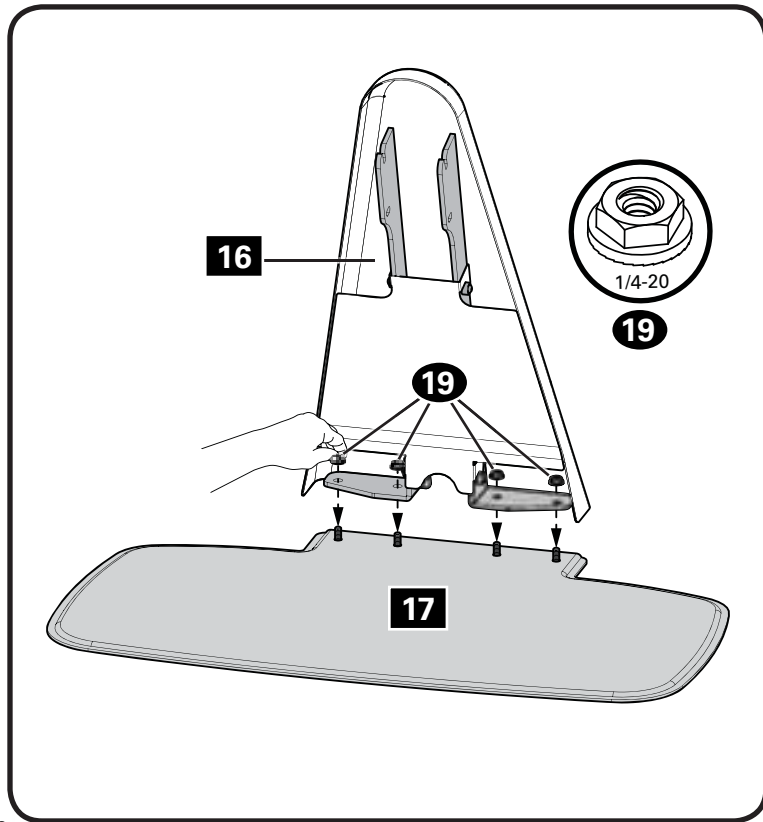

! **IMPORTANT:** Ensure all brackets are securely fastened before moving on to the next step.

STEP 3 Attach Neck to Base

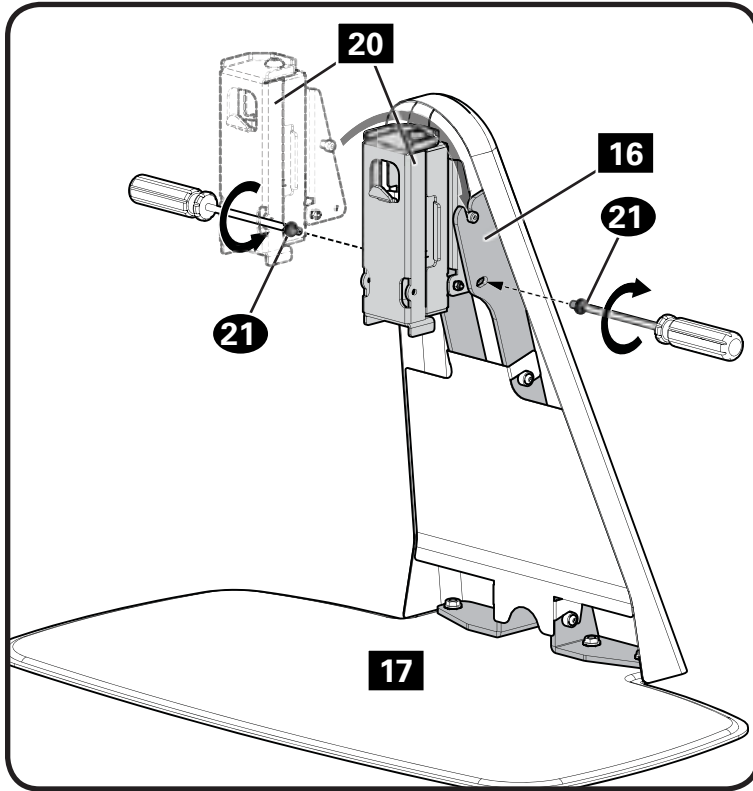

Attach neck **16** to base **17** with nuts **19**. Start by hand tightening the nuts **19** then complete the tightening by using supplied wrench **18**.

! IMPORTANT: Ensure neck **16** is securely fastened to base **17** before moving on to the next step.

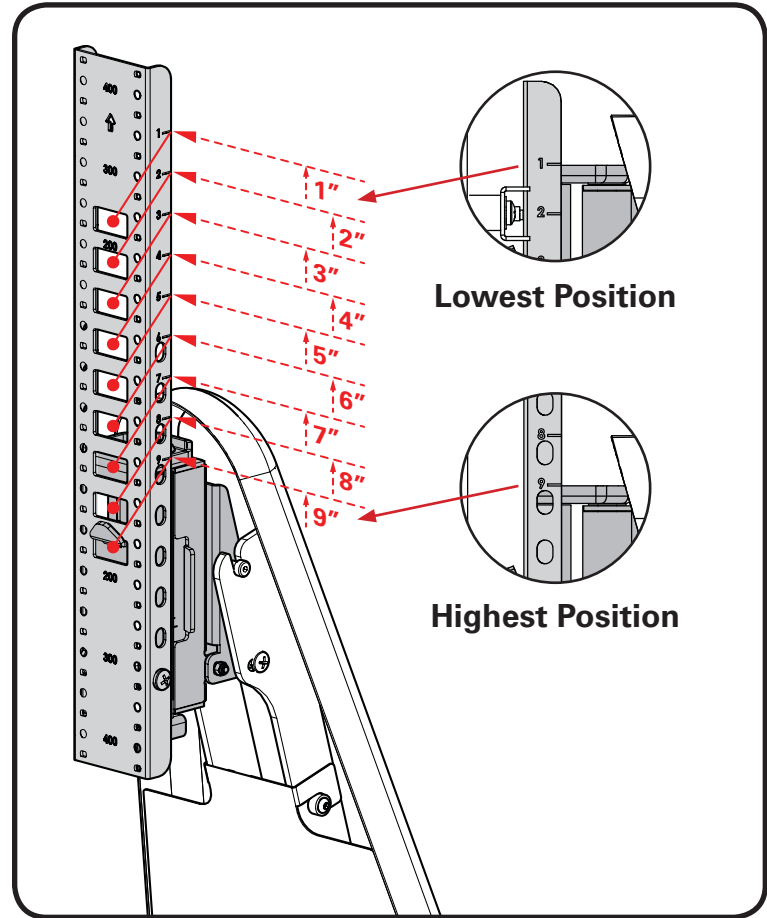

STEP 4 Swivel Head to Neck

1. Hang swivel head **20** onto neck **16**.
2. Secure with two lock screws **21**.

STEP 5 Attach TV to Swivel Head

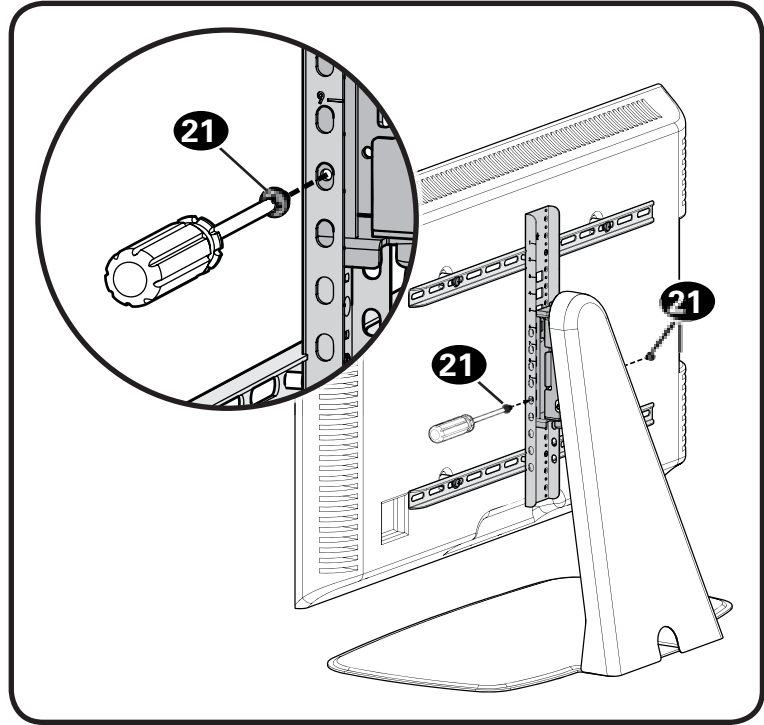

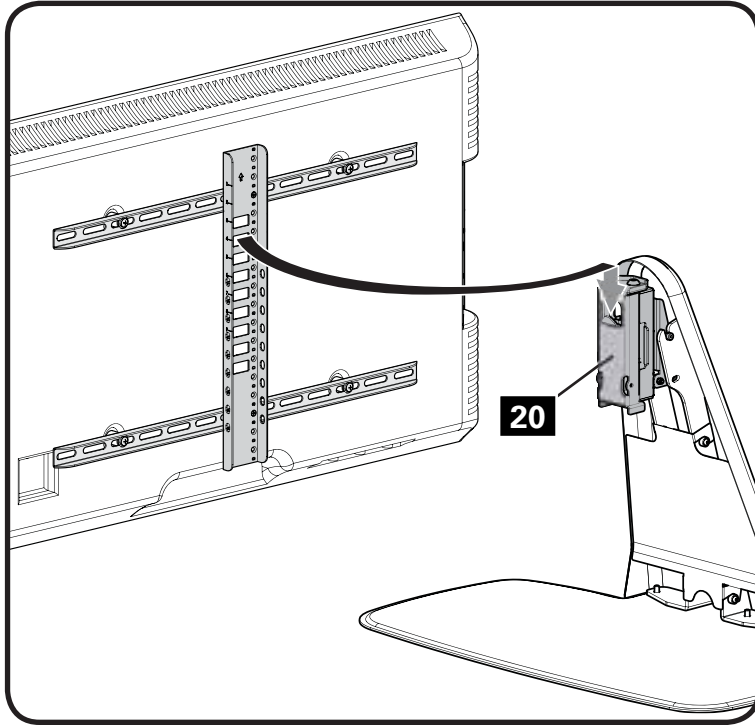

STEP 5 Attach TV to Swivel Head (continued)

1. Determine the height from the base that you would like to hang your TV (see examples Page 11).
2. Secure the TV/bracket assembly to the swivel head **20** with the two lock screws **21**.

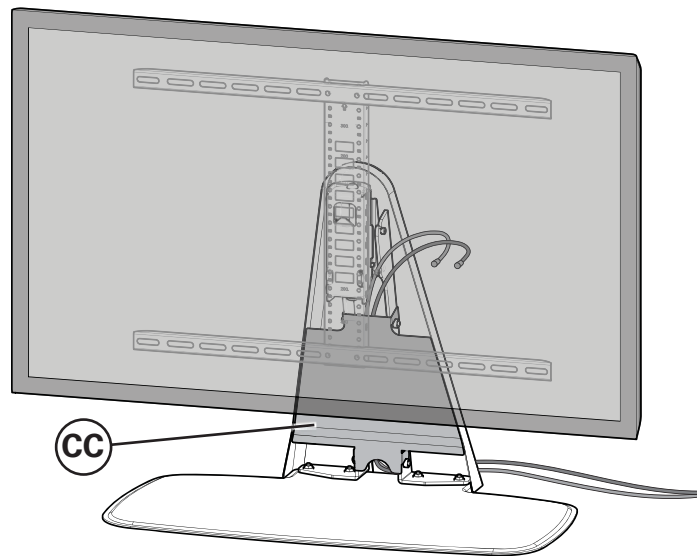

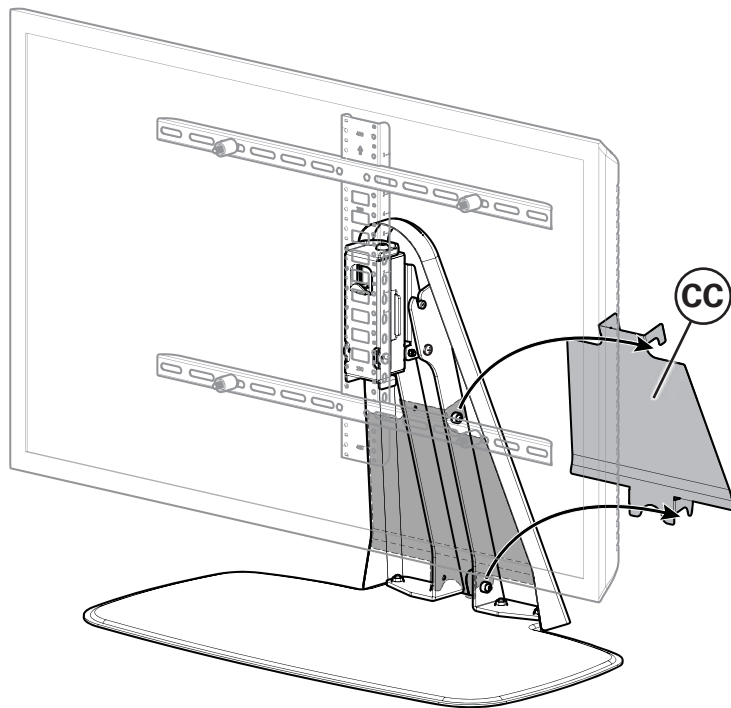

! **IMPORTANT:** Keep the base clear while installing TV.

! **IMPORTANT:** Ensure TV/bracket assembly is securely fastened to swivel head **20** before moving on to the next step.

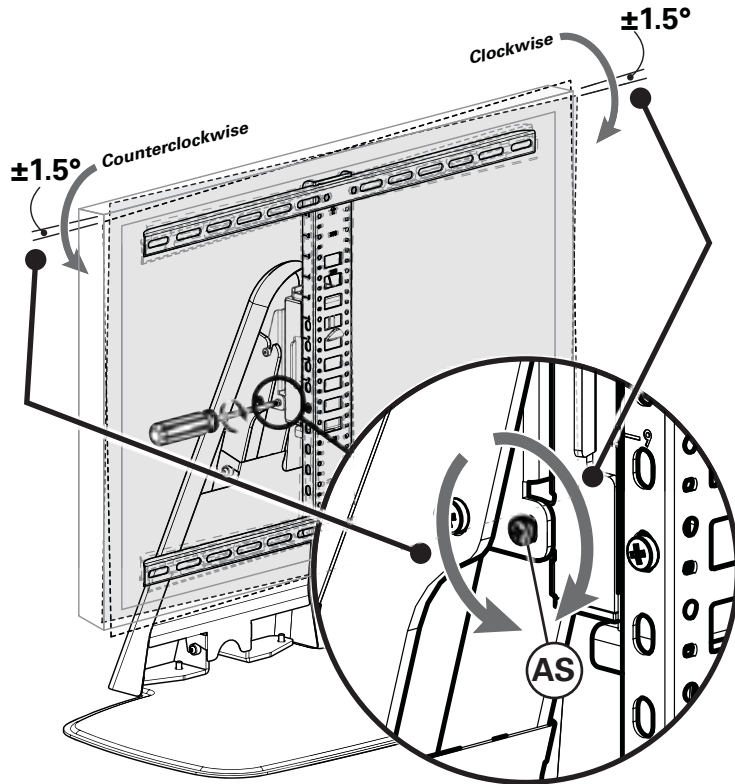

Cable Management

Remove the cable cover (CC). Route cables down the cable channel of the neck and through the opening in the base of the neck. Replace the cable cover (CC).

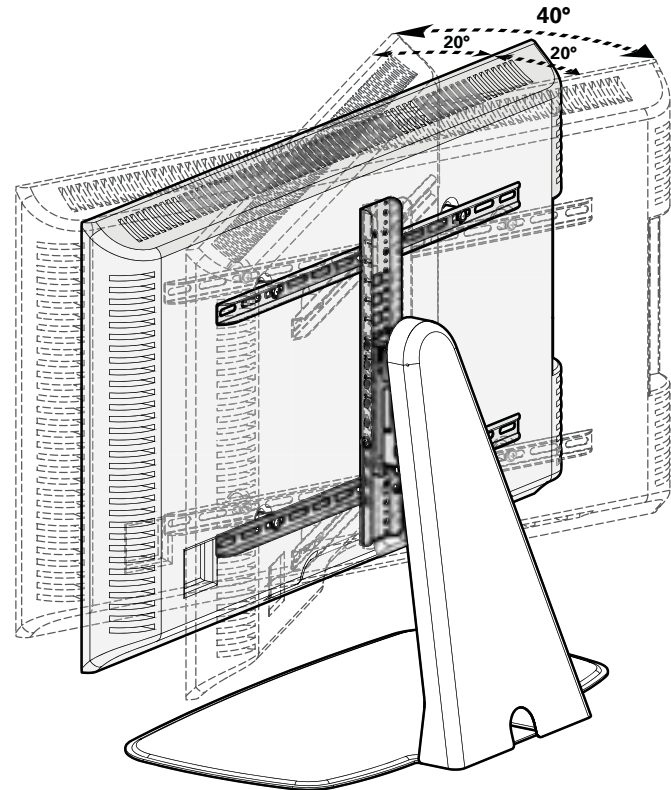

Adjustments

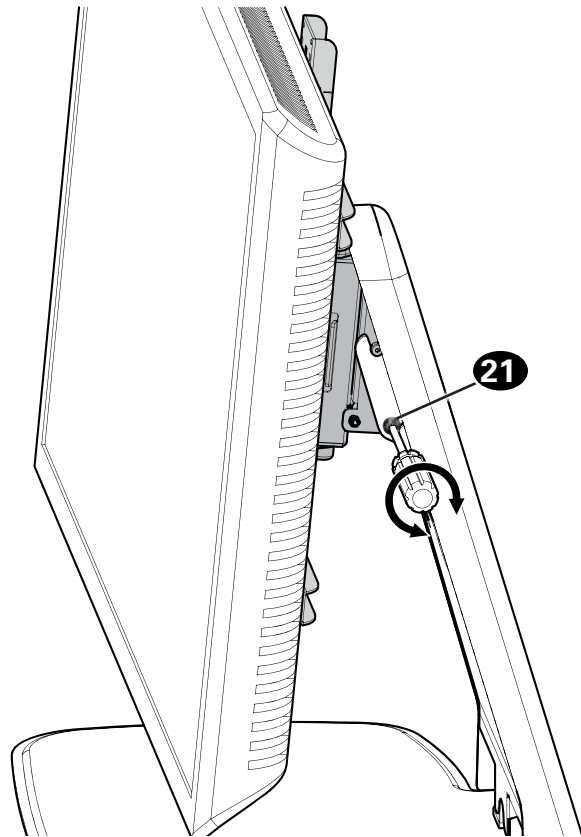

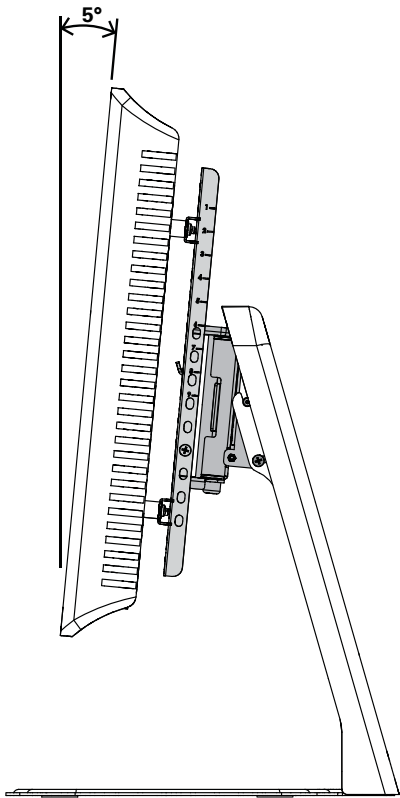

Post install leveling can be adjusted ± 1.5 degrees using the adjustment screw **AS** in the swivel head **20**.

TV can be swiveled $\pm 20^\circ$ (40° total) for best viewing angle.

TV can be tilted back 5° for a better viewing angle or to compensate for deflection caused by a heavy TV. To adjust tilt, loosen both lock screws **21**, adjust tilt, then tighten both lock screws **21**.
