

NEW VISIONMOUNT® SOUNDBAR SPEAKER MOUNT

Save space and improve sound quality by mounting a soundbar along with your TV

The new VisionMount VMA201 soundbar speaker mount easily attaches to VisionMount LL22, LT25 and LMT15 wall mounts for an optimal listening experience. This great space-saving solution is easy to install and requires no additional drilling. ProSet™ height adjustments raise or lower the speaker relative to the TV size, and ProSet™ level adjustments allow easy horizontal leveling for perfect speaker positioning.
