# SANUS®

BASIC SERIES FURNITURE

Basic Series

Expertly crafted for high performance, great value and stylish sophistication, the **Basic Series** family of furniture brings a contemporary feel to the SANUS Foundations line. Quick and easy or tool-free assembly creates furniture in a flash. These solid pieces feature tempered glass for added strength and shatter-resistance, open architecture for unrestricted airflow and generous cable management channels to support today's media systems.

Three-shelf Corner AV Stand /
Fits AV components and TVs up to 52"

Hardwood veneers complemented by a rich chestnut or chocolate finish bring a contemporary style to any room. This unique design offers versatility with the ability to be positioned in a corner or flat against a wall. This solid piece can accommodate large AV systems with its deep shelf capacity. Vented shelves allow warm air to escape, minimizing heat on AV components. Assembly is quick and easy – no tools required.

Features:

- Vented shelves maximize airflow to equipment
- Deep shelf capacity easily accomodates large AV gear
- Quick, easy tool-free assembly
- Compatible with the FMS for a pillar-mounted solution
- Compatible with the ELM701 flat-panel TV safety strap

BFV357

Three-shelf TV & AV Stand /
Fits AV components and TVs up to 65"

Steel and tempered-glass construction adds strength and durability for a modern look to any room. An integrated wire management system ensures AV cables stay organized. The stand's adjustable feet provide stability on any surface. An open design maximizes airflow to equipment to prevent overheating and provides easy access to the back of components. Assembly is quick and easy.

Features:

- Thick, durable tempered glass provides style, strength, and safety

- Easily conceals unsightly cables

- Open design maximizes airflow to equipment and provides easy access to back of components

- Adjustable feet keep furniture level on any surface

- Compatible with the FMS for a pillar-mounted solution

- Compatible with the ELM701 flat-panel TV safety strap

BFV 353

Three-shelf TV and AV Stand /
Fits AV components and TVs up to 60"

The stand's transitional design complements any room's décor. An integrated wire management system ensures AV cables stay hidden and organized and adjustable feet provide stability on any surface. An open design maximizes airflow to equipment to prevent overheating and provides easy access to the back of components. A media storage basket keeps remotes and accessories organized. Assembly is quick and easy - no tools required.

Features:

- Designed to complement any type of décor

- Easily conceals unsightly cables

- Media storage area helps keep remotes and accessories organized

- Adjustable feet keep furniture level on any surface

- Compatible with the FMS for a pillar-mounted solution

- Compatible with the ELM701 flat-panel TV safety strap
