

## AV Accessory

### CONTOURED CABLE COVER

The SANUS SA304 on-wall cable cover hides cables on the wall (drywall, wood studs, and concrete) for a seamless look. Eliminate tangled cables with cable clips that can hold up to eight cables for an organized and easy AV installation. For a customized AV set-up with a streamlined appearance, cut and paint this cable cover to match any wall.

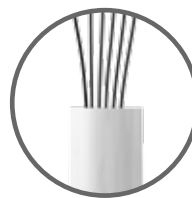

Customizable design can be easily cut and painted
