

Tilt & Swivel Projector Mount

FOR TV PROJECTORS UP TO 50 LBS / 22.73 KG

The SANUS VMPR1 is a tilt and swivel ceiling mount for projectors up to 50 lbs / 22.73 kg. Independent roll, yaw and pitch adjustment settings make set up and alignment easy, and a quick-release mechanism allows servicing of filters and bulbs without refocusing or realigning. Solid heavy-gauge steel construction adds strength and stability, and hardware-hiding bezels offer a sleek, high-tech look. Versatile mount design is compatible with more than 95% of all DLP and LCD projectors on the market. Includes 7" / 17.78 cm extension pipe.

7" down pipe adapter
and pipe included
