

NEW SANUS ELEMENTS™ SCREEN CARE SYSTEM

Our new Sanus Elements™ screen care system is the perfect way to make any small screen shine

The Sanus Elements™ ELM104 is an easy-to-use screen care system for TVs, monitors, DVDs, CDs and other accessories. Its Micro-Mist™ bottle provides a targeted, non-streaking spray for accurate application. Alcohol- and ammonia-free cleaning solution will not harm screens or discolor bezels. The unique wiping handle removes smudges, fingerprints and oils to keep screens looking like new and includes a protective cover to keep the surface clean when not in use. Cleaning solution bottle fits conveniently inside the wiping handle for a compact kit that is easily stored.

Soft cloth material gently removes smudges, fingerprints and oils to keep delicate surfaces looking like new; includes protective cover
