

NEW SANUS® AV FOUNDATIONS® PLATINUM SERIES FURNITURE

Introducing the latest addition to the Platinum Foundations family

New Platinum Series PFV60, PFV48 and PFAV30 AV stands feature a sleek, modern design to accommodate large flat-panel TVs and AV components with style. Available in a durable black powder-coated finish, each piece offers strong tempered-glass shelves and extra-large cable management channels to conceal and route even the most complex cable arrangements. Smoked glass side panels offer an enclosed feel while open architecture allows unrestricted airflow, keeping components cool for optimal performance.
