

NEW VERTICAL AV FOUNDATIONS™

left: model VF2012-B1 shown; right: model VF2022-B1 shown

Modern meets practical with Vertical AV Foundations™

Sanus Vertical AV Foundations™ combine the storage capacity of a cabinet with the discreet look of a low-profile wall mount, creating a versatile, stylish piece that can literally fade into the woodwork. These wall-mounted AV stands feature adjustable tempered-glass shelves and generous wire management channels, so they're perfect for mounting directly under a TV. It's the most practical piece of art you'll ever own.

Strong tempered-glass shelves can be vertically adjusted to accommodate any AV component arrangement

Generous integrated cable management channels for easy power cable and signal wire routing

Post-installation adjustment feature ensures entire unit is at perfect height
