EXPERIENCE THE SANUS ADVANTAGE

SANUS products are proudly designed and engineered in the USA. We strive to offer you easy to install products that are safe and provide your customers with a joyful experience while enhancing their lifestyles.

All SANUS products are covered by industry-leading warranties; 10 years for metal video monitor mounts, all racks and non-electrical accessories.

All of our mounts are tested to meet UL standards. These are nationally recognized safety standards listed and granted by Underwriters Laboratories® Inc. after rigorous weight capacity and angle hanging tests.

SANUS ECOSYSTEM™

A fully customizable multi-volt accessory system that serves as the single power source for all low-voltage equipment in a rack to save space and time.

REMOVE THIS FROM YOUR RACK

Organize your components and increase your system's efficiency with the SANUS EcoSystem

MODEL CAPT01 | MULTI-VOLT POWER SUPPLY

Light Switches
Easily turn front task light and rear work light on and off

Additional Power
Front side 5V USB port, 12V always on and front light connections provide added convenience

5V USB Ports
Easily connect up to three components with USB cables

12V Lights Only
Add front mounted 1U task light to illuminate rack components and rear mounted work light for easy viewing while working within the rack

Always On 12V Power
Perfect for powering additional SANUS AV accessories or other low voltage devices

Thermostat Controlled
Keep components cool with available fans, which include 1U intake fan, 3U ultra quiet fan and 3U volume fan

Thermostat
Included thermostat kit monitors the rack temperature and automatically activates fans
